

COVID-19 UPDATES AND RESOURCE

Partnering to combat COVID-19 together

April 28, 2020

This weekly update has been created to help CHWC members and partners share with one another new information and resources about COVID-19. As each week brings a new set of challenges as well as discoveries, we believe, more than ever, in the value of partnership and collaboration. Please continue to send your updates to Bonnie Kang (kangbo1012@gmail.com).
